# Splice trays

Specifications:

Splice Cassette KNS-12
Store capacity: up to 12 fusion splices
Dimension: 162 x 124 x 8 mm
Material: plastic
Standard: splice holder (2 pcs, heat-shrink)
                 cable tie (4 pcs)
Options: lid

Splice Cassette 2S-1000
Store capacity: up to 12 fusion splices
Dimension: 145 x 95 x 8 mm
Material: plastic
Standard: lid
                  cable tie (4 pcs)
Options: splice holder (2 pcs, heat-shrink)
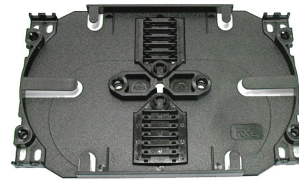

Splice Cassette - TC 251S series
Dimensions: 195 x 116 x 10 mm
Weight: 115 g
Store capacity: up to 16 fusion splices
Material: Noryl (LSZH plastic)

TC 251S-1X
Standard components:

• Splice holder (2 pcs, heat-shrink, TC250S-10)
• Loose tube clamps with rubber padding
• Cable tie (4 pcs)
• Optional components: lid, other type of splice holder

Splice Cassette - TC 251S series
Dimensions: 195 x 116 x 10 mm
Weight: 115 g
Store capacity: up to 16 fusion splices
Material: Noryl (LSZH plastic)

TC 251S-1

• Standard components:
• Splice holder (2 pcs, heat-shrink, TC250S-10)
• Cable tie (4 pcs)
• Optional components: lid, other type of splice holder

Splice Cassette TC 250S series
dimensions: 143 x 96 x 10 mm
weight: 80 g
store capacity: up to 12 fusion splices
material: Noryl (LSZH plastic)

TC250S-1X
Standard components:

• Splice holder (1 pcs, heat-shrink, TC250S-13)
• lLose tube clamps with rubber padding
• Cable tie (4 pcs)
• Optional components: lid, other type of splice holder

Splice Cassette TC 250S series
dimensions: 143 x 96 x 10 mm
weight: 80 g
store capacity: up to 12 fusion splices
material: Noryl (LSZH plastic)

TC250S-1
Standard components:

• Splice holder (1 pcs, heat-shrink, TC250S-13)
• Cable tie (4 pcs)
• Optional components: lid, other type of splice holder

Drawer Equipment Splice TC 248S

Variants:
TC 248S – 4   4 splice cassettes
TC 248S – 6   6 splice cassettes
TC 248S – 8   8 splice cassettes
TC 248S – 12   12 splice cassettes

Store capacity :   up to 12 fusion splices per cassette
Material :   Noryl (LSZH plastic)

Description :

Easy acces to fibre in lower trays (locking arm)

Loose tube and pigtail clamps pigtail lock/organizer

Standard components :
